For the months of February, March, and April, we are going to do a "kitten kit" drive! This is to prepare our kitten fosterers as much as possible. For those of you that can't foster but would like to help in some way, this is the perfect way to provide aid. Our goal is 100+ kitten kits! Talk to your youth group, dance and cheer teams, sports teams, classrooms, etc and have a friendly competition on who can put the most kitten kits together! By providing these items, not only are you helping HSNBA save precious funds, but you are also directly helping save the lives of some of our most vulnerable shelter animals.

For more info, call (830) 629-5287 or e-mail adoption@hsnba.org
